Repair Maintenance

Range destined at specific sectors:

- * Products that solve common problems of the industrial sector, in terms of hygiene and maintenance.
 - * Products for cleaning and care of all surfaces of cars and transport vehicles.
 - * Products that provide optimum hygiene of grounds and public spaces.
 - * Products that facilitate the application and improve the performance of classical construction materials.
- *SUCITESA, technical solutions to problems of professional maintenance.**

Glossary of symbols used in this brochure:

Products

■ URBADET® EXTRA-L

Strong cleaner for waste containers. ECOLABEL.

Cleans and deodorizes - Removes dirt caused by the use and pollution - Excellent hygiene and healthy conditions - High efficiency and degreasing action -

Ref.technical doc: 320001

Accreditations:

	Specific product for use in food areas (production, manipulation, transport, storage or consumption).		Specific disinfectant for professional use in food areas.
	Disinfectant for professional use in public and industrial places and surfaces.		Disinfectant for domestic use.
	Product for washing and protection of human skin.		Disinfectant for personal hygiene. For healthy skin.
	Domestic insecticide. General use.		Product with minor environment impact. Awarded with the official Eco Label from the European Union.

Industrial hygiene and maintenance

Industrial hygiene and maintenance

Subfamilies

- Degreasers
- Solvent based cleaners
- Rust removers and descalers
- Strippers
- Lubricants and cutting fluids
- Unblocking products
- Anti-corrosive products

Products to cover the most usual needs of cleaning and maintenance in the industrial sector.

Industrial hygiene and maintenance

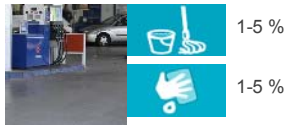

Degreasers

AQUAGEN® D

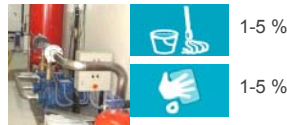

Strong degreaser. All uses.

Removes dirt from industrial sources - Effective against grease, oil, charcoal and pigments - High dragging capacity -

Transparent liquid - Color: Yellow -Fragrance: Characteristic

Oil station

Industry

Ref.: 312170

Codes and sales formats:

605420	605422	
5 lt	20 lt	

AQUAGEN® CMP

Pressure washer degreaser. Heavy duty.

Removes dirt from industrial sources - Effective against grease, oil, charcoal and pigments - High dragging capacity -

Transparent liquid - Color: Blue -Fragrance: Characteristic

Industrial floor

Workshop

Ref.: 312930

Codes and sales formats:

605421	605423	
5 lt	20 lt	

AQUAGEN® CMH

Universal degreaser. Hydrocleaners.

Removes dirt from industrial sources - Eliminates organic and mineral dirt - High dragging capacity -

Transparent liquid - Color: Yellow -Fragrance: Characteristic

Industrial floor

Workshop

Ref.: 320000

Codes and sales formats:

605424	605425	
5 lt	20 lt	

Solvent based cleaners

SOLUGEN® DTS

Cleaner - degasser. Tanks.

High dragging capacity - Emulsifiable in water - High efficiency and degreasing action -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Tanks

Ref.: 312360

Codes and sales formats:

600901	600900	
5 Lt	25 Lt	

Industrial hygiene and maintenance

Solvent based cleaners

SOLUGEN® LNS

Degreaser. Emulsifiable.

Removes grease and stubborn dirt - High dragging capacity - Easy rinsing - Does not change the treated surfaces -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Industrial floor

According to dirt

Ref.: 312970

Codes and sales formats:

600946	600945	
5 Lt	25 Lt	

SOLUGEN® LP

Metal pieces cleaner.

Removes grease and stubborn dirt - Low evaporation solvent - Does not dry up then rubber joints - Dries with no residue -

Transparent liquid - Color: Blue -Fragrance: Characteristic

Metallic pieces

100 %

Ref.: 320970

Codes and sales formats:

601863	601862	
5 Lt	25 Lt	

Rust removers and descalers

AQUAPROT® 501

Descaler. Circuits.

Removes limescale and rust - Cleans and keeps components in optimal conditions - Protects the metal against corrosion - Does not change the treated surfaces -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Circuits and piping

25-50 %

Ref.: 311150

Codes and sales formats:

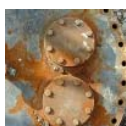

605488	605489	
5 lt	20 lt	

AQUAGEN® REMOVEX

Rust remover. Passivation effect.

Removes scale, rust and dirt - Protects the metal against corrosion - Provides an excellent finish -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Metal resistant to acids

25-50 %

Ref.: 312160

Codes and sales formats:

605490	605491	
5 lt	20 lt	

Industrial hygiene and maintenance

Rust removers and descalers

AQUAGEN® RAC

Cleaner. Anti-limescale and pollution.

Cleans, makes shine and protects the surface - Removes scale, rust and dirt - Not suitable for acid-sensitive surfaces -

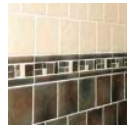

Transparent liquid - Color: Blue -Fragrance: Floral

Garden furniture

Industrial hygiene and maintenance

Lubricants and cutting fluids

LUBRITERM M

Lubricant grease with molybdenum disulphide. High temperature.

Lubricates and protects the mechanisms - Temperature: -15 to +250°C - With molybdenum disulfide - Resists pressure and humidity -

Aerosol - Color: Colorless -Fragrance: Characteristic

100 %

Gears. High T°C

Ref.: 314360

Codes and sales formats:

601030	
400 ml	

LUBRITERM AL

Lubricant grease. Extreme conditions.

Protects mechanisms and prevents seizure - Protects against the elements - Contains metal microparticles that prevent metal-metal contact - Aids dismantling of threaded components -

Aerosol - Color: Silver -Fragrance: Characteristic

100 %

Gears. Extreme environment

Ref.: 314370

Codes and sales formats:

601032	
400 ml	

Unblocking products

SOLUGEN® POLINOX

Unblocking. Lubricant.

Allows the unlock of coupled elements - Excellent penetration power and anti-corrosion effect - Lubricates and protects the mechanisms - Prevents friction and wear -

Opalescent liquid - Color: Amber -Fragrance: Characteristic

100 %

Blocked mechanisms

Ref.: 312120

Codes and sales formats:

600862	600861	
5 Lt	25 Lt	

SOLUGEN® POLINOX SP 520

Unblocking. Lubricant.

Allows the unlock of coupled elements - Excellent penetration power and anti-corrosion effect - Lubricates and protects the mechanisms - Prevents friction and wear -

Aerosol - Color: Colorless -Fragrance: Characteristic

100 %

Blocked mechanisms

Ref.: 314280

Codes and sales formats:

601022	
400 ml	

Industrial hygiene and maintenance

Anti-corrosive products

GALVAMAT SP 520

Galvanizer matt.

Protects the metal base - Prevents corrosion - Provides an excellent finish - Easy and rapid application -

Aerosol - Color: Grey -Fragrance: Characteristic

Metal. Corrosion risk

Ref.: 314260

Codes and sales formats:

601020	
400 ml	

GALVABRILL SP 520

Anti-corrosive. Shiny.

Protects the metal base - Prevents corrosion - Provides an excellent finish - Easy and rapid application -

Aerosol - Color: Silver -Fragrance: Characteristic

Metal. Corrosion risk

Ref.: 314290

Codes and sales formats:

601024	
400 ml	

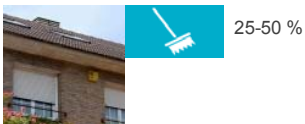

Descaling cleaners

ADIGEN® L

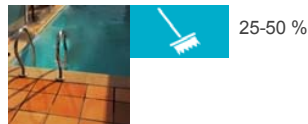

Cleaner and descaler. Cement remover.

Removes cement residues, limescale stains, salt residues and environmental dirt - Dissolves traces of cement - Effective against rust stains - Cleans the joints of the tiles -

Transparent liquid - Color: Blue -Fragrance: Characteristic

Pavings and facades

Swimming pools

Ref.: 313020

Codes and sales formats:

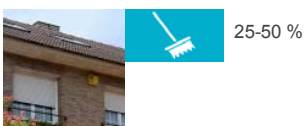

605584	605588	
5 lt	20 lt	

ADIGEN® LE

Cleaner and descaler. Gel.

Removes cement residues, limescale stains, salt residues and environmental dirt - Dissolves traces of cement - Effective against rust stains - High adherence and effectiveness -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Pavings and facades

Construction machinery

Ref.: 313170

Codes and sales formats:

605585	605589	
5 lt	20 lt	

Industrial hygiene and maintenance

Descaling cleaners

ADIGEN® GPN

Cleaner. Granite and noble stone facades.

Removes scale, rust and dirt - Restores the surfaces exposed to high and persistent dirtiness - Does not change the treated surfaces -

Transparent liquid - Color: Pink -Fragrance: Characteristic

25-50 %

Noble material facades

Ref.: 320020

Codes and sales formats:

605586	605590	
5 lt	20 lt	

ADIGEN® LF

Descaler. Heavy duty.

Removes scale, rust and dirt - Dissolves traces of cement - Effective against silicate deposits -

Transparent liquid - Color: Blue -Fragrance: Characteristic

25-50 %

Pavings and facades

25-50 %

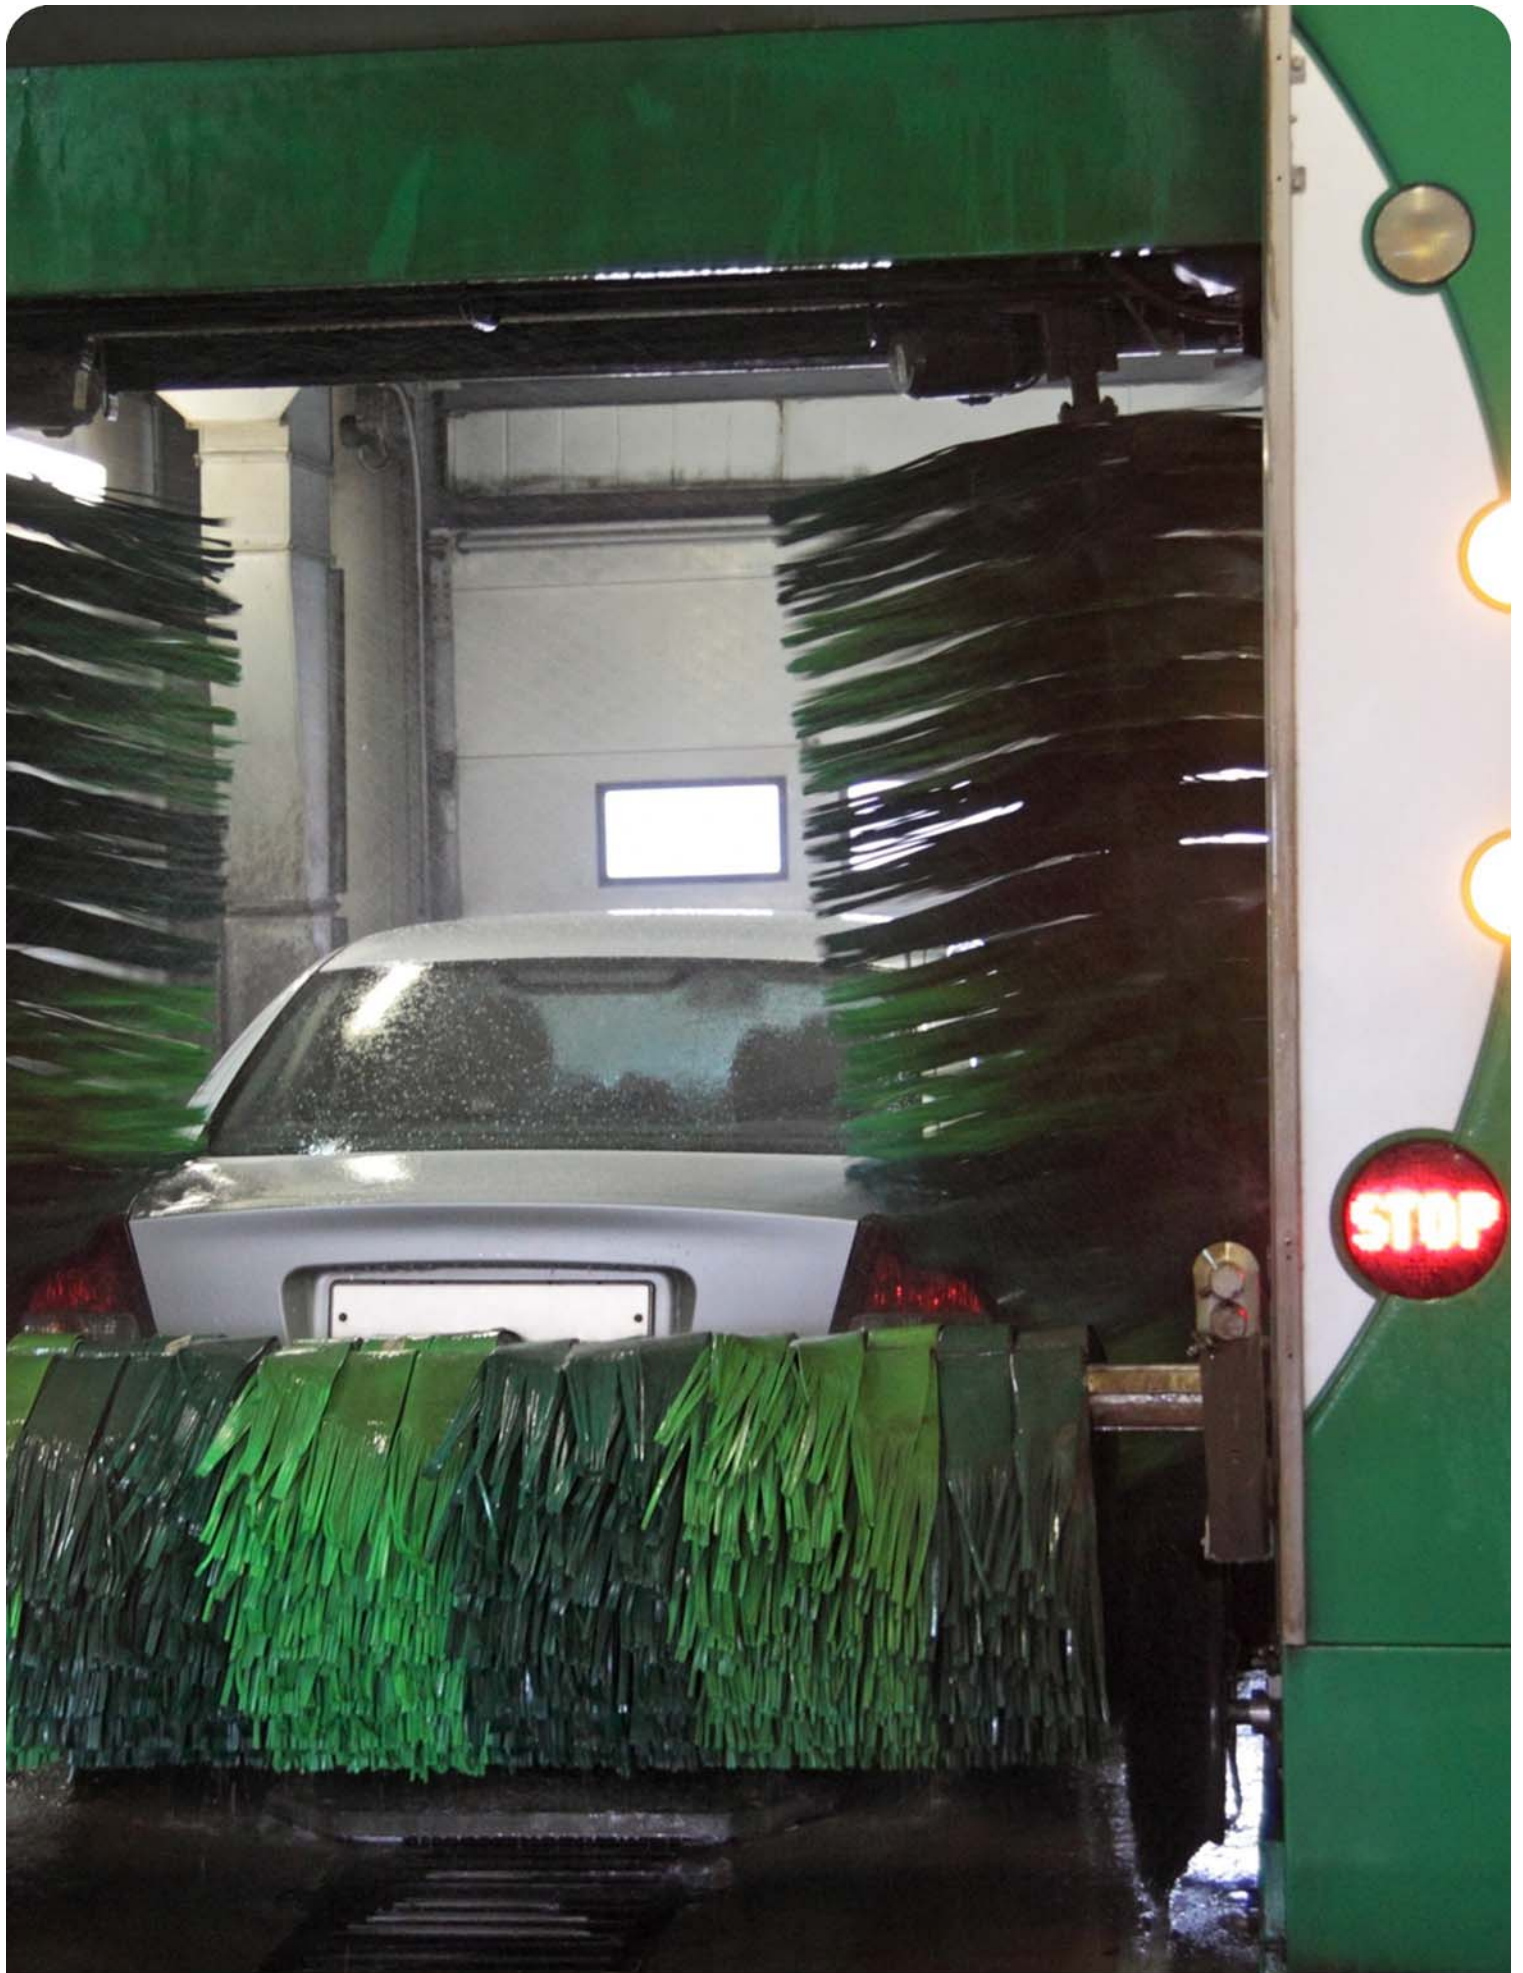

Construction machinery

Vehicle care

Vehicle care

Subfamilies

- Automatic car wash products
- Tunnels and machines. Automatic car washing.
- Paraffin removers
- Additional products for car washes
- Degreasers for car washing
- Degreasers for engines and machinery
- Descalers

Efficient products for the cleaning sector and also for the sector of professional adjustment of transport vehicles and cars.

Vehicle care

Automatic car wash products

AQUAGEN® CHB

Shampoo for self-service car wash boxes.

Cleans and protects the automobile bodywork - Removes dirt caused by the use and pollution - Effective against grease, oil, charcoal and pigments -

Transparent liquid - Color: Blue -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 320035

Codes and sales formats:

605494	
20 lt	

EMULGEN® BOX

Shampoo for self-service car wash boxes. Powder.

Cleans and protects the automobile bodywork - Removes dirt caused by the use and pollution - Effective against grease, oil, charcoal and pigments -

Powdered product - Color: White -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 320045

Codes and sales formats:

601834	
18 Kg	

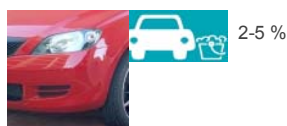

Tunnels and machines. Automatic car washing.

AQUAGEN® C

Foaming shampoo. Manual wash.

Cleans and protects the automobile bodywork - Removes dirt caused by the use and pollution - Stable and durable foam -

Transparent liquid - Color: Orange -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 312730

Codes and sales formats:

605495	605496
5 lt	20 lt

AQUAGEN® CHN

Car Brush shampo.

Removes persistent fouling and dirt - Low foaming - Allows the brushes movement without damaging the bodywork -

Transparent liquid - Color: Red -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 320295

Codes and sales formats:

605503	
20 lt	

Vehicle care

Tunnels and machines. Automatic car washing.

AQUAGEN® EA

Ref.: 312960

Active foam.

Eliminates organic and mineral dirt - High adherence and effectiveness - Stable and durable foam -

Transparent liquid - Color: Green -Fragrance: Characteristic

Vehicles. Bodywork

Codes and sales formats:

605498	605499	
5 lt	20 lt	

AQUAGEN® EAR

Ref.: 312965

Active foam. With colour.

Eliminates organic and mineral dirt - High adherence and effectiveness - The foam color makes easy to see the treated areas - Stable and durable foam -

Transparent liquid - Color: Red -Fragrance: Characteristic

Vehicles. Bodywork

Codes and sales formats:

605500	605501	
5 lt	20 lt	

SUCIWAX® HF

Ref.: 312790

Water repelling wax.

Facilitates rapid and uniform drying - Avoid marks when water dries - Protects and restores the brightness - Delays the presence of dirt -

Transparent liquid - Color: Green -Fragrance: Characteristic

Vehicles. Bodywork

Codes and sales formats:

600927	605497	
5 Lt	20 lt	

SUCIWAX® SHF

Ref.: 312975

Water repelling wax. High performance.

Facilitates rapid and uniform drying - Avoid marks when water dries - Protects and restores the brightness - Delays the presence of dirt -

Transparent liquid - Color: Blue -Fragrance: Characteristic

Vehicles. Bodywork

Codes and sales formats:

600949	605502	
5 Lt	20 lt	

Vehicle care

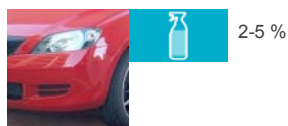

Tunnels and machines. Automatic car washing.

AQUAGEN® EM

Degreaser. Anti-mosquito.

Removes encrusted insects - Does not damage paint or rubber joints - Prevents blocking of windscreen wiper nozzles -

Transparent liquid - Color: Pink -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 324175

Codes and sales formats:

605504	605505	
5 lt	20 lt	

AQUAGEN® ABL

Polish. Rims.

Removes scale, rust and dirt - Protects and restores the brightness - Removes carbon deposits and dirt accumulated through use from brakes -

Transparent liquid - Color: Blue -Fragrance: Floral

Vehicles. Wheel rims

Ref.: 324355

Codes and sales formats:

605510	605533	
5 lt	20 lt	

POLIBRILL SP 520

Polish. Vinyl surfaces.

Cleans, makes shine and protects the surface - Delays the presence of dirt - Air freshener effect - Repairs damaged areas originated by daily use -

Aerosol - Color: Colorless -Fragrance: Characteristic

Vehicles. Interior

Ref.: 314330

Codes and sales formats:

601026		
400 ml		

Paraffin removers

SOLUGEN® DP

Protective coating remover. Paraffin.

Eliminates automobile bodywork protective film - Does not damage paint or rubber joints - Emulsifiable in water -

Transparent liquid - Color: Amber -Fragrance: Characteristic

Vehicles. Bodywork

Ref.: 312995

Codes and sales formats:

600970	600969	
5 Lt	25 Lt	

Vehicle care

Paraffin removers

AQUAGEN® DPC

Protective coating remover. Copolymers.

Eliminates automobile bodywork protective film - Does not damage paint or rubber joints -

Transparent liquid - Color: Amber -Fragrance: Pine

5-10 %

Vehicles. Bodywork

Ref.: 323994

Codes and sales formats:
